RULES AND CONDITIONS APPLICABLE TO ROLLOVERS

GENERAL INFORMATION

A rollover is a way to move assets from one HSA or Archer MSA to an HSA. The Internal Revenue Code (IRC) limits how many rollover contributions may be made, how the transaction must be completed, and how the Trustee or Custodian must report the transaction. By properly completing this form you are certifying to the Trustee or Custodian that you have satisfied the rules and conditions applicable to a rollover and that you are making an irrevocable election to treat the transaction as a rollover.

HSA OR ARCHER MSA ROLLOVER REQUIREMENTS

- 1. Timeliness**
 The assets you receive from the distributing HSA or Archer MSA must be deposited into an HSA within 60 days after you receive them. When counting the 60 days, include weekends and holidays. Receipt generally means the day you actually have the assets in hand. For example, the 60 days would begin on the day following the day you pick up the check from the Trustee or Custodian or you receive the check in the mail.
- 2. Twelve Month Restriction**
 Only one rollover contribution may be made to an HSA during a one-year period. Twelve months must pass after an HSA rollover contribution before you are eligible to perform another HSA rollover contribution.
- 3. Eligible Plan**
 A distribution will not be eligible to be rolled over unless that distribution is made from an eligible HSA or Archer MSA.
