

Dear Member,

As you know, all HEFCU accounts are being converted to SEFCU over Labor Day weekend. Recently you received your new SEFCU account number. Please keep this in a safe place since you will need it to sign into [SEFCU OnLine](#), our online banking site, for the first time.

On September 3, you will receive another email with instructions on how to log into SEFCU OnLine which you will be able to do as of that date. After August 31, HEFCU online banking will no longer be available for transactions, however you will still be able to access eStatements. Please make sure you print/download any statements you'd like to keep before October 31.

If you have any questions, please call our Member Solutions Center at [518-451-2864](tel:518-451-2864), where a dedicated line has been established to assist you.

We look forward to serving your financial needs.

Sincerely,
SEFCU
