Single Credit Disability	\$1.65	Increased
Joint Credit Disability	\$3.10	Increased
Single Credit Life	\$0.48	Decreased
Joint Credit Life	\$0.76	Decreased

What the change(s) mean to you:

The new rate(s) will be applied monthly to insured loans up to the policy maximums. An increase in rate could result in a higher last payment or may extend the duration of the loan. Contact SEFCU if you have questions about how this affects your loan or about changing your monthly payments.

If as a result of this change, more of your loan's outstanding balance will be covered; your premium will increase accordingly. This increase in premium could result in a higher payment or may extend the duration of your loan.
